Dear Mr. Roffman:

I regret that we have been unable to find in our files any diagrams of sound spectrograms such as you describe in your letter of March 30, 1971.

Mr. L. G. Kersta retired from Bell Labs several years ago. I spoke with him recently by phone regarding your questions.

He said that the tapes were made by a Dallas radio station and that they appeared to be authentic. He concluded from his analysis that the noises on the tape were from three rifle shots and their echoes.

If you wish to get in touch with Mr. Kersta directly, his address is P.O. Box 835, Somerville, New Jersey, 08876.

I hope this information is helpful to your investigation.

Sincerely yours,

Bruce Strasser
